l.dz.prez.85/2009

**Mr Victor Goncharsky US5WE  
President of the Management Board  
of the Amateur Radio Club of Lviv**

In 2010, the Polish Amateur Radio Union (PZK) will celebrate the 80<sup>th</sup> anniversary of its establishment. This is an excellent opportunity of keeping in contact with numerous friends, as well as of organising joint events. On that occasion, I would like to invite you - Dear Friend - to participate in the ceremonial meeting commemorating the 80<sup>th</sup> anniversary of the establishment of PZK - which will take place in mid-February 2010 in Warsaw. A more detailed invitation will be sent in November 2009.

On 24<sup>th</sup> February 1930 in Warsaw, PZK was established by its founders - four amateur radio clubs: of Lvov, of Warsaw, of Poznań and of Vilnius. Besides the celebration mentioned above, the Polish Amateur Radio Union - together with the Polish Very High Frequency Club and with the Amateur Radio Club of Lvov (LKK) - organises an amateur radio expedition to the Hoverla mountain. As it is commonly known, the first expedition to that mountain was the first one undertaken by the members of PZK, and actually - by LKK.

On behalf of our union, Wiesław Paszta SQ5ABG - the PR Manager of PZK, the Chief Editor of the periodical "Polish Amateur Radio Operator", the Deputy Member of the Presidium of the Headquarters of PZK and the President of the Praga-District Section of PZK - is the chief organiser of the whole event.

Seizing the present opportunity, let me ask you very kindly for all possible kind of organisational help, so as to highlight in a permanent manner that aspect of the celebration of the anniversary in the memory of the organisers and participants of this expedition, as well as in order to give splendour to the 80<sup>th</sup> anniversary of PZK - as a crucial element of our co-operation.

Piotr Skrzypczak SP2JMR

President of PZK
